PER CURIAM:

Sikod Basung, a native and citizen of Cameroon, petitions for review of an order of the Board of Immigration Appeals ("Board") denying his motion to reopen and to reconsider its previous order affirming, without opinion, the immigration judge's denial of asylum, withholding of removal, and protection under the Convention Against Torture. We have reviewed the record and the Board's order and find that the Board did not abuse its discretion in denying Basung's motion. See 8 C.F.R. § 1003.2(a) (2004). Accordingly, we deny the petition for review on the reasoning of the Board. See In re: Basung, No. A79-235-632 (B.I.A. Aug. 17, 2004). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.
